Sustainability

A pioneering eco-friendly resort that has nurtured its island, lagoon and underwater ecosystems for five decades – recycling water for garden irrigation, running CFC-free air-conditioning with an in-villa heat-exchange system for bathing water, using biodegradable cleaning chemicals throughout, running awareness programmes to local villages and uninhabited islands, and replacing single-use plastic bottles and straws with refillable glass bottles and paper straws.

Worth knowing

- Original 1979 dive centre
- Named excursion vessels
- Piano Deck
- The Lighthouse Restaurant
- Gallery of antique Maldivian maps and artefacts
