- Specialist Watsu and floatation treatment rooms, and a Hammam suite.
- PURE – a beach-shack relaxation zone.
- Seaweed-based skin and body-care products by Malibu brand OSEA.
- Partnership with Nourished for personalised nutrition before, during and after the stay.
- IRIS technology "triggers positive brain activation" through audio.

Experiences

MARINE & DIVING

- Free diving lessons and shark spotting offered to children through the Footprints programme
- A marine conservation team propagates and protects corals

WATER SPORTS CENTRE

- "Ropes and Woods" wall installation by Canadian artist Annie Lajeunesse

ART & CULTURE

- Island-wide curated art collection with a permanent art gallery and artist-in-residence programme
- James Turrell's "Skyspace" – an autonomous light / space structure, the resort's signature art piece

MUSIC

- Partnership with global musicologists MAV shapes the island's soundtrack
- Patina app offers curated, personalised playlists from booking onward
- Live DJs and artists perform on-island

Facilities

FARI MARINA VILLAGE

- Shared heart of Fari Islands – restaurants, bars, an art gallery, boutiques, events and one-off happenings for guests of all three resorts
- Fashion boutiques showcasing capsule collections of limited-edition finds
- Berthing facilities built by Burgess, including round-the-clock, on-dock superyacht refuelling

FARI BEACH CLUB

- The archipelago's dedicated venue for "fun, relaxed luxury"
- Fine-spirits partnership with Proof & Company

Families

Footprints

- A children's discovery programme designed with Swimsol, the specialist that solar-powers the island
- Fab Lab lets budding engineers turn recycled ocean plastic into 3D-printed / laser-cut models
- A culinary studio introduces kids to organic, local and plant-based cooking
- Free diving lessons or shark spotting in the ocean
- Local Maldivian children can earn free PADI dive certifications through the resort's marine-ambassador mission

Sustainability

"Perpetuality" – zero-waste kitchens, no single-use plastics anywhere on the island, solar power via Swimsol, a permaculture garden, blue carbon neutrality practices, support for the Olive Ridley Project, and 1% of gross operating profits contributed to initiatives supporting Maldivian women and children in climate-affected communities.

Worth knowing

- James Turrell's "Skyspace"
